

Coordinated meetings with Teams and Surface Hub

The workplace is more team based and mobile than ever

Organizations have vaulted into an entirely new world of work. Connecting people working in the office and those working remotely has never been more important. Combined with Teams, Surface Hub helps power more collaborative, inclusive, and efficient meetings everywhere. Surface Hub is the ultimate teaming device that empowers teams to collaborate without boundaries, whenever and wherever ideas strikes.

Surface Hub 2S

Move collaboration anywhere by turning any space into a teamwork space

Bring remote teams together and run remote meetings seamlessly

Drive fluid team collaboration with natural interactions

Surface Hub 2S + Teams

Just like Teams Rooms and collaboration bar, Surface Hub delivers consistent, intuitive, and inclusive meeting and creative experiences.

All-in-one meeting and co-creation solution delivering a native Microsoft Teams experience, with HD audio and video, on Teams certified 1st party hardware.

Surface Hub is optimized for touch and pen experiences so you can drive the meetings and co-creation sessions from the front of the room.

Partner opportunities

Build your business and grow your revenue through device deployment and management services.

Offer devices to bring end-users and Microsoft Teams experience together with enterprise-grade security and compliance, all in one place.
